

Sixth Form College Option Blocks for Year 12 2021-2022

Please choose one subject per block, with some blocks remaining empty; these will become your independent learning time. For most students this will be three subjects. You may add a GCSE re-sit, Core Maths or Football Academy as a fourth. If you are predicted at least 7 7's at GCSE or equivalent, then you may select four A levels or equivalent courses but please consider this option carefully. EPQ is coursed in addition to three A level or equivalent courses. If you are opting for the Applied Pathways you need to choose a double BTEC option in both blocks and one further option.

All subjects in the same blocks are taught at the same time

	BLOCK A	BLOCK B	BLOCK C	BLOCK D	BLOCK E	BLOCK F
Section 1 Level 3 A level/BTEC National Courses	Art Biology BTEC Business (Single) Computer Science Chemistry Economics Environmental Science Mathematics Media Studies Music Physics Psychology Sociology CTEC Sport (Single & Double) Spanish	Biology BTEC Science English Language Further Maths Geography History Mathematics Photography	Beliefs, Ethics & Philosophy Business Studies Chemistry English Language English Literature Geography Government & Politics BTEC Health & Social Care (Double) Applied Hospitality (TBC) Music Practitioner Product Design Psychology Drama & Theatre	Art Business Studies Economics French Government & Politics BTEC Health & Social Care (Single & Double) History Mathematics Photography Physical Education Psychology CTEC Sport (Double) Cambridge Technicals IT	Art Biology BTEC Business (Double) Chemistry Dance English Literature Film Studies Football Academy Further Maths Mathematics Physics Psychology Sociology	EPQ
