HEADTEACHER'S MESSAGE

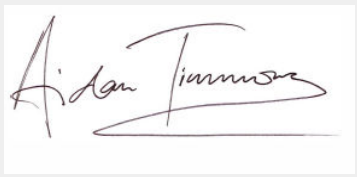

Open Mornings at Shooting Field have been a great success this week. We welcomed many keen and excited families along to explore our school, meet our wonderful students and experience a little of what makes SGS such a special place to learn and grow. Thank you to everyone who joined us, if you are still keen to visit the upper school site please as part of making your final choice please do reach out.

We are delighted to have agreed terms with the Steyning Football Club for the use of their 3G Pitch for playing sports in PE and games at Lunch at the Shooting Field site. This would not have been possible without the financial support of the Steyning Grammar School Foundation who we are incredibly grateful to - pitch use begins next week.

Today we have supported HelloYellow, supporting YoungMinds to raise vital funds and awareness for young people's mental health. Please make all donations via the school's fundraising page here. A huge thank you to everyone who has supported the charity so far, we have already raised an incredible £300, which is fantastic! Your generosity and support are greatly appreciated.

Looking ahead, next Thursday brings Year 11, 'How to Revise Workshop' 6-7pm. This session will provide valuable guidance and practical strategies to help students review effectively, build confidence and feel better prepared for their upcoming exams. I have linked our web page here regarding revision tips too. We strongly encourage as many parents and carers as possible to attend and we look forward to seeing you there.

Have a wonderful weekend

Aidan Timmons
Headteacher

PRAYER FOR THE WEEK

Dear God,
Please work your will in us today.
Protect us, guide us, bless us.
Help us to do something today out of love of you,
and so that we may love others.
In the name of Jesus
Amen.
